

## Qualifications & Distinctions (NPS-INTL-ATS) Exemption Application Form

If you already have a photographic qualification from any photographic club/society, you may not have to submit a portfolio of work for assessment, but you need to be recommended by one of our Society's committees or if you've equivalent honour titles from any of the below photography organizations:

1. The Royal Photographic Society (RPS)
2. Photographic Society of America (PSA)
3. Fédération Internationale de l'Art Photographique (FIAP)
4. Distinction of any photography registered organizations.

All applications will go forwards to be ratified on the first working day of the month. The final decision whether or not a NPS distinction is awarded stays with NPS.

The applicant must own the copyright to, and be the creator of, all the photographic elements in a submission. No third party images may be used in the majority of categories. The NPS may copy, publish and use successful application for helping other potential applicants and promoting the Distinction. Copyright of the images remains with the applicant and all work will be attributed. The NPS will not use an image outside these uses without your permission.

I agree the Terms and Conditions of NPS Award Titles Scheme (ATS) and provide accompanying evidence (Photography Qualification and Curriculum Vitae, PQCV).

I agree to abide by the Distinctions Terms & Conditions and accept that the decision of the Panel/Board is final
